

Environmental Policies

In Ahmedabad, 10th of October 2018,

It has been decided on this day that, in view of M/s INDIGENOUS APPARELS PRIVATE LIMITED's core mission to manufacture with respect for all people and our planet, is appointed an officer, Mr. AADIL ANSARI in charge of ensuring the compliance of the company to below environmental policies:

- The premises of the company as well as its immediate surrounding should be cleaned every day and preserved neat and hygienic. The factory should be kept clean and free from dust and effluents arising from any drain, toilet or other sources.
- Effective arrangements should be made for treating waste and effluents arising from the manufacturing process in order to render them innocuous and safe for disposal.
- M/s INDIGENOUS APPARELS PRIVATE LIMITED will comply on all points with Indian regulations laid out in following Acts:
 - o Water (Prevention and Control of Pollution) Act (1974)
 - o Air (Prevention and Control of Pollution) Act (1981)
 - o Environment (Protection) Act (1986)
 - o Water (Prevention and Control of Pollution) Cess Act (1977)
- Environmental policies compliance officer will strive to ensure the most minimal amount of single use plastic or paper is used within the day to day functioning of the business.
- Environmentally friendly packing material will be used whenever possible
- M/s INDIGENOUS APPARELS PRIVATE LIMITED's dedication to the environment and it's responsibility to our planet will be communicated on monthly basis to all of its employees.
- Mrs. Aadil Ansari is responsible for implementing and ensuring the good operation of above policies. Self-audit by the company on the effectiveness of measures in place is to be realised at no more than 3 months intervals.

M/s INDIGENOUS APPARELS PRIVATE LIMITED actively supports the implementation and monitoring of all above environmental policies.
